

With approximately 420 members since its inception, the Alpha Sigma chapter has spent a century shaping the future of Wiley University and Marshall while leaving indelible marks on the broader fabric of our nation. Its members have distinguished themselves as civil rights activists, lawyers, scientists, physicians, business leaders, educators, clergy, and innovators across virtually every field— embodying a legacy of excellence, service, and leadership.

The Alpha Sigma Education Foundation (ASEF) Board of Directors builds upon this rich legacy to advance educational excellence, leadership development, and community uplift. Guided by the fraternity's motto—"First of All, Servants of All, We Shall Transcend All"— the ASEF Board is dedicated to principled service, strategic investment, and intellectual engagement. Through initiatives that support students and young professionals, preserve cultural and institutional heritage, and strengthen communities—particularly those connected to Wiley University—the Board ensures that the spirit, values, and impact of Alpha Sigma not only endure but foster a firm foundation for the next 100+ years of uninterrupted service.
